## Information Pack

We are a dynamic social club based on a common interest in Holden Toranas, we want to keep the memory of these fantastic cars alive and well. Our members come from all walks of life, guys and girls of all ages, different occupations, and different ideals. Anyone is invited to apply for membership, whether your Torana is a daily driver, a shopping trolley, an unfinished project, a neat street machine, partially or fully restored, a drag car or full-on show car, even if it's still being dreamed about.

That's right, even if you haven't got your Torana yet, you can make the most of the experience and advice of the other members of the club when looking for your car.

### History

It was the mid-80's when an idea arose to formulate a Torana Club for owners and enthusiasts. In 1987, the **COMBINED TORANA CAR CLUB of WA** was born and we have been "Showing them off" ever since.

Over the years, the Torana has aged gracefully and the enthusiasm and interest in these classic cars has increased. The club makes its presence felt at many of the shows in and around Perth and its members enjoy getting the vehicles out on the road whenever we can.

The Club became incorporated in 1994 and became a member of the Combined Car Clubs Association of WA in 1995.

The Old's Cool Car Cruise has been run annually since 2003 on the last Sunday of March which provides a great run for all participants and keeps the club financial.

We are always looking for likeminded people to share our love of these classic cars.

If you think you would like to become part of the club then please complete the form attached or get in contact with us for any further details.

## New Membership Application Form

### Personal Details

Full Name	Nick Name
Address	
Suburb	Postcode
